ABOUT THE LATINO LEADERS NETWORK

Established in 2004, the Latino Leaders Network is a federal nonprofit organization dedicated to "Bringing Leaders Together." We provide a unique platform to share personal stories, foster relationships, and build unity within the Latino community. By honoring influential individuals, we celebrate leadership and inspire others to pursue success.

Through our signature programs, including the Latino Leaders Luncheon Series and Tribute to Mayors, we provide a stage for policymakers, corporate executives, community leaders, and industry experts to share their personal story of obstacles overcome to achieve success. These events highlight stories of perseverance, resilience, and success, offering valuable leadership lessons that inspire future generations. Our educational resources, *Latino Leaders Speak: Personal Stories of Struggle and Triumph*, along with a corresponding curriculum guide for 14 leader stories continues our legacy of empowering emerging leaders to succeed.

Our stories are powerful and need to be told to inspire, transform, and unite. By connecting leaders across various sectors to celebrate Latino leadership, we create a network of support to drive growth and success in our community.

ABOUT OUR EVENTS

TRIBUTE TO MAYORS

Convened during the U.S. Conference of Mayors (USCM) winter and summer meetings. This 'must attend' event provides a great networking experience for all guests. Mayors, area elected officials, policy-makers, corporate executives, community leaders, industry experts, and political insiders are invited. The Antonio Villaraigosa Leadership Award is presented to a mayor from a city with a significant Latino population who has exhibited an outstanding commitment to bringing diverse communities together.

LATINO LEADERS LUNCHEON SERIES

Provides a platform for prominent Latino leaders to share their personal story of obstacles overcome to achieve success. In addition, it provides a networking opportunity for elected officials, policy makers, corporate executives, opinion leaders, community activists, industry experts, and political insiders. The program includes the presentation of the Eagle Leadership Award to a national leader who has made a significant impact on the lives of Latinos living in the United States. It also features a community partner serving the Latino community.

CAFECITO SERIES

A new platform aimed to educate, inspire, and prepare the next generation of leaders. The Rising Star Award will be presented to an emerging Latino/Latina leader who has demonstrated exceptional promise, leadership, and commitment to their community. The event will include a moderated intergenerational discussion between the honoree and an iconic, seasoned leader with an in-person audience of young professionals, elected and appointed officials, corporate executives, opinion leaders and community activists.
