THE LATINO LEADERS NETWORK IS A FEDERAL 501(C)(3) NONPROFIT ORGANIZATION

ABOUT THE LATINO LEADERS NETWORK

Since 2004, the Latino Leaders Network has brought leaders together through 128 events in 41 cities, honoring 154 distinguished individuals. As a national nonprofit organization, we are dedicated to “Bringing Leaders Together” by providing a unique platform to share personal stories, foster meaningful relationships, and build unity within our community. By honoring influential individuals, we celebrate leadership and inspire others to pursue success. Our events and programs are open to everyone who supports our mission, and we welcome participants of all backgrounds.

Through our signature programs, including the Latino Leaders Luncheon Series and Tribute to Mayors, we provide a stage for policymakers, corporate executives, community leaders, and industry experts to share their personal story of obstacles overcome to achieve success. These events highlight stories of perseverance, resilience, and success, offering valuable leadership lessons that inspire future generations.

Our educational resources — *Latino Leaders Speak: Personal Stories of Struggle and Triumph, Volumes I & II* — together with a companion curriculum guide featuring 14 inspiring leader stories, continue our legacy of empowering emerging leaders to achieve success.

Our stories are powerful and need to be told to inspire, transform, and unite. By connecting leaders across diverse sectors and communities to celebrate Latino leadership, we foster an inclusive network of support to drive growth and success.

ABOUT OUR QUARTERLY EVENTS

TRIBUTE TO MAYORS

Convened during the U.S. Conference of Mayors (USCM) winter and summer meetings. This 'must attend' event provides a great networking experience for all guests. Mayors, area elected officials, policy-makers, corporate executives, community leaders, industry experts, and political insiders are invited. The Antonio Villaraigosa Leadership Award is presented to a mayor from a city with a significant Latino population who has exhibited an outstanding commitment to bringing diverse communities together.

LATINO LEADERS LUNCHEON SERIES

Provides a platform for prominent Latino leaders to share their personal story of obstacles overcome to achieve success. In addition, it provides a networking opportunity for elected officials, policy makers, corporate executives, opinion leaders, community activists, industry experts, and political insiders. The program includes the presentation of the Eagle Leadership Award to a national leader who has made a significant impact on the lives of Latinos living in the United States. It also features a community partner serving the Latino community.

LATINO LEADERS SPEAK

Edited by Mickey Ibarra and published by Arte Público Press, *Latino Leaders Speak Personal Stories of Struggle and Triumph*, Volumes I and II feature powerful first-person stories of perseverance, public service, cultural pride, and historic firsts—from cabinet secretaries and governors to actors, journalists, university presidents, and civil rights champions. These authentic narratives highlight obstacles overcome to achieve success and preserve the legacy of Latino leadership in America. The series serves as an educational resource to inspire emerging leaders and ensure our stories are told and heard.
