The Latino Leaders Network is a nonprofit, nonpartisan organization dedicated to "Bringing Leaders Together" to share our personal stories, grow relationships and build unity.

LATINO LEADERS LUNCHEON SERIES

Consists of three 2023 national events— convened by invitation-only to provide a platform for prominent Latino leaders to share their personal story of obstacles overcome to achieve success. In addition, it provides a networking opportunity for elected officials, policy makers, corporate executives, opinion leaders, community activists, industry experts, and political insiders. The program includes the presentation of the Eagle Leadership Award to a national leader who has made a significant impact on the lives of Latinos living in the United States. It also features a community partner serving the Latino community.

TRIBUTE TO MAYORS

Consists of two 2023 national events— convened during the U.S. Conference of Mayors (USCM) winter and summer meetings. This 'must attend' event provides a great networking experience for all guests. Mayors, area elected officials, policy-makers, corporate executives, community leaders, industry experts, and political insiders are invited. The Antonio Villaraigosa Leadership Award is presented to a mayor from a city with a significant Latino population who has exhibited an outstanding commitment to bringing diverse communities together.

CAFECITO SERIES

The Cafecito Series is a new platform aimed to educate, inspire, and prepare the next generation of leaders. The Rising Star Award will be presented to an emerging Latino/ Latina leader who has demonstrated exceptional promise, leadership, and commitment to their community. The event will include a moderated intergenerational discussion between the honoree and an iconic, seasoned leader with an in-person audience of young professionals, elected and appointed officials, corporate executives, opinion leaders and community activists.
